

# Fact SHEET

## About Us

Quality healthcare to our community has been our mission since 1926, when the hospital began as an infirmary in the Evangelical Home in Lewisburg, Pennsylvania. Now a non-profit, non-religious affiliated hospital, we have expanded with the growing needs of our community to provide a broad range of healthcare services that are consistently high quality, compassionate, accessible and cost-effective.

In partnership with a strong and diverse medical staff, the Hospital promotes a healthy lifestyle and provides advanced medical care in an atmosphere that is caring and compassionate.

This is accomplished by maintaining a challenging, energized work environment for our valued employees who exemplify our Core Values.

**OUR CORE VALUES:** Quality Service, Respect, Compassion, Integrity, Creativity, Professionalism and Cooperation

## Vision

Evangelical Community Hospital will be our community's healthcare provider of choice by patients, physicians and employees.

## Offices & Facilities

Evangelical Community Hospital serves 223,000 residents of the Central Susquehanna Valley with ten PCP practices, eight labs and two imaging locations.

Our signature services facilities include new state-of-the-art Surgical and Cardiovascular Suites, Hybrid OR, Joint Replacement Center, and the Thyra M. Humphrey's Center for Breast Health.

## BARIATRIC SERVICES

Evangelical's bariatric program includes gastric bypass and gastric banding, and is accredited by the Bariatric Surgery Center Network (BSCN) Accreditation Program of the American College of Surgeons (ACS).

## CARDIOPULMONARY SERVICES

Areas of expertise include EEG (electroencephalography), EKG (electrocardiography), respiratory therapy, and pulmonary rehabilitation.

## CARDIOVASCULAR SERVICES

Evangelical's catheterization suite features advanced cardiovascular technology in two catheterization laboratories, a seven room procedure unit, and a cardiac rehabilitation department.

## EMERGENCY/PRE-HOSPITAL SERVICE

Our modern facility offers many essential features and extras for patient and family comfort. Our Emergency Advanced Life Support Services take the Emergency Room directly to the scene of an accident.

## THE FAMILY PLACE/OBSTETRICS

The Family Place meets the unique needs of mothers and babies through family-centered maternity care, from labor and delivery to postpartum care. In addition to vaginal deliveries, the staff is prepared to handle cesarean births or vaginal birth after cesarean (VBAC).

## HOSPICE

Our Hospice is a comprehensive program that assists patients and their families with physical, emotional, and spiritual needs that may accompany a life-limiting illness. Evangelical's Hospice nurses are solely dedicated to the specialty of end of life care.

## IMAGING SERVICES

Our licensed technologists and board-certified radiologists use state-of-the-art equipment and offer a full range of imaging services 24 hours a day.

## LABORATORY SERVICES

Our lab completes more than one million tests each year through its eight locations. We are Accredited by the College of American Pathologists (CAP).

## THE JOINT PROGRAM

The specialists at Evangelical offer expertise in hip, knee, shoulder, hand, elbow, and spine injuries. Evangelical's services include total joint replacement, physical therapy, MRI, and post-surgical support.

## PHYSICAL REHABILITATION

Our rehabilitation staff is highly trained to treat patients who have had a stroke or other neurological diagnoses, total joint replacements, fractures, trauma, amputations, general weakness and debilitation, and compromised cardiovascular and respiratory function.

## SURGICAL SERVICES

Evangelical's new surgical suite features eight spacious operating rooms with leading-edge technology, including a hybrid OR.

## THYRA M. HUMPHREYS CENTER FOR BREAST HEALTH

The Center offers a full spectrum of clinical and support services, in an atmosphere that has been designed with women in mind.
