

Meaningful relationships: It's who we are.

About Evangelical Hospital

Evangelical Hospital serves a population of 223,000 in Snyder, Union, Northumberland and Lycoming counties in Central Pennsylvania. It is a **regional acute care health system** with 5700 admissions, bringing 1,100 lives into the world, caring for 33,000 emergency room visitors and performing more than 3,500 same day surgical procedures each year.

- » Evangelical has a total of 157 total patient beds including 18 bassinets, 14 acute rehab beds and 12 ICU's, including 4 e-ICU's.
- » Medical staff of 250 primary care, medical and specialty physicians, and 70 mid-levels
- » Successful outcomes for cardiovascular care with national C-Port E study
- » Progressive hospital system just finished \$32 million expansion with eight new OR's and two Cardiovascular Labs.

About the Community: Lewisburg, PA

The Hospital is located in beautiful Lewisburg, Pennsylvania, which is listed on the National Register of Historic Places, and is home to **Bucknell University** making it a quaint university town:

- » Cultural and recreational interests include historic Market Street, Victorian museums, art festivals, state parks and Bucknell's Weis Center for the Performing Arts, offering Lincoln Center caliber performances and speakers.
- » Local talent is regularly on display at Lewisburg restaurants and coffeehouses. The city also features an original 1941 Art Deco movie palace, The Campus Theatre.
- » **Top ranked public schools** (top 4% in PA); low crime community; low cost of living
- » The **charming and vibrant downtown** retail boutique community bustles with everything from antiques and art to bistros and fine dining. Median home cost in 2012 was \$165,000 in the Lewisburg area.

ENDOCRINOLOGY

Hospital is looking to recruit one fulltime or part time Endocrinologist to work in enhancing the current endo service and develop a full service diabetes clinic with support from Joslin.

- » Work with large, multi-specialty group of over 50 physicians who practice in a dozen sites surrounding the hospital for consultation and referrals
- » No other Endo in the service area – room to develop new and grow it. Admin and physician support is strong across all primary and specialty care physicians
- » Infusions are done in hospital with 6 chairs and 2 beds. New practice will be on site in medical office building with support staff hired as needed
- » Includes working with inpatient and outpatient education and awareness of staff, providers and community for improved health benefits
- » Competitive salary, incentive and benefits
