

What You Need to Know About Your Pre-Surgical Testing at Evangelical

Your doctor's office will contact you to schedule your pre-surgical testing appointment. For your health and safety, you will not be able to have your procedure until you successfully complete your pre-surgical testing.

To help avoid any delays or issues with your testing or procedure, please follow the instructions below:

Before the Day of Your Testing

- Please complete all of the forms your doctor gave to you.
- Ask your doctor if there are any instructions about not eating or drinking prior to your tests.
- If you have a cold or elevated temperature the day before your scheduled testing, please contact the doctor who is scheduled to perform your surgery or procedure.

On the Day of Your Testing

- You should expect to be at the hospital for at least 90 minutes.
- Bring to the hospital with you:
 - photo identification
 - your medical insurance information
 - all of your completed forms
- Please report to the hospital's Main Entrance in the new PRIME building.

If you have any questions about your pre-surgical testing, please call our Pre-Admission Care department at 570-522-2733.
