

Accessing Test Results

Follow My Health

- You will need to create a Follow My Health portal account, if you do not already have one.
- Your username does not have to be your email address.
- You can email your test results directly from the portal or print the results from a desktop computer.

If you experience any issues or need authorized individual access, please email FollowMyHealth@evanhospital.com

Scan QR code below to begin:

Release of Information

If you do not have a Follow My Health account and do not wish to create one, request your test results through the Release of Information online form.

The Hospital does not process releases, under any circumstances, for pick up at the Hospital. When placing a request, please allow appropriate time for processing and delivery. Return time for test results is dependent on the volume of tests being processed.

- Remember to have your driver's license or other photo ID ready to confirm your identity.

For questions or concerns, please email ROITeam@evanhospital.com.

Scan QR code or use the URL below to begin.
Click the 'Release of Information' button.

www.evanhospital.com/covidresults

Please note: You will be redirected to a third-party system managed by MRO. Evangelical Community Hospital works with the release of information vendor, MRO, to coordinate providing copies of medical records to patients and authorized representatives. The MRO portal has a different privacy policy and may have different security than evanhospital.com.
