

Each day the caring staff at Evangelical Community Hospital make a difference in the lives of our patients, families, and visitors. Whether it's our compassionate approach to patient care or going above and beyond what's needed or expected, our caregivers often make a lasting impression on those they serve.

Critical Care Staff

"The staff at Evangelical were more than medical professionals when my father was hospitalized—they were friends and partners in his recovery. This is the kind of service and experience only a community hospital like Evangelical can provide. When I think of how hospital care should be, I think of Evangelical."

— **Anne Marie T. Pittsburgh, PA**

Environmental Services Staff

"I love that Hospital—As a retired nurse and patient I know the importance of giving and receiving care in a safe, clean environment. I gave because I wanted to honor Plant Engineering and Environmental services for providing that space for me. It takes a team of caring people to make things work for patients and I appreciate that!"

— **Bernita W. Lewisburg, PA**

David Zelechowski, MD

"I consider Dr. Z. to be my Doctor and my friend. After my wife passed away, it was Dr. Z. who encouraged me to volunteer at Evan. He is an excellent doctor who really cares about people."

— **Ray D. Lewisburg, PA**

Emergency Department Staff

"We are thankful for people working in Emergency Medicine. Their perseverance and dedication is amazing and truly appreciated."

— **Roger and Lorin P. Kreamer, PA**
