Linking MyWellSpan and MyChart

Link MyWellSpan and MyChart

We're providing easy-to-follow steps to help you securely link your MyChart account with MyWellSpan, so you have easy access to all of your health information in one convenient portal.

With MyWellSpan, you can:

- Manage your health and your family's health, all in one location.
- Access virtual care options that fit your life.
- Stay connected to the team who knows you best.
- And more!

Just a few steps, and you're linked!

- **Step 1:** Create a MyWellSpan account at MyWellSpan.org
- **Step 2:** Log into MyWellSpan.
- **Step 3:** Go to "Your Menu" (click the icon at the top with three horizontal lines)
- **Step 4:** Type "Link My Accounts" into the search field.
- **Step 5:** Type "Geisinger" in the "Discover accounts to link" field if it doesn't appear under "Visited organizations."
- **Step 6:** Click "Link Account."
- **Step 7:** Log into your MyChart account using the username and password.
- **Step 8:** Verify the account by entering the required security information, then select "Verify Account."

Congratulations! Your account is linked! You can now use your MyWellSpan account to access important information from both WellSpan and Geisinger.
